Spectators

There are several designated spectator zones along the Toowoomba Marathon course where friends, family and supporters can gather to cheer on loved ones and participants in the event.

Cheers and applause from a crowd are not only a distraction when the going gets tough, but uplifting messages on signs and banners can boost morale and deliver renewed determination for a participant to make the finish line.

If you're not entering the event tap into your creative side, make a support sign and help make the event a memorable experience for all participants.

Homeowners on the course are also encouraged to support from the side, organise a neighbourhood driveway breakfast, create a sign and be a part of the inaugural Toowoomba Marathon.

And supporters can be winners this year too with a special prize pack going to the best sign on the course.

Take a photo of your sign and post it on instagram with the hashtag #TM24SUPPORTERS to go into the draw to win.
