## Race day travel tips

If you live in affected suburbs or need to access these suburbs during the Toowoomba Wellcamp Airport Marathon, please consider these travel tips:

- ▶ Add additional time to your journey in anticipation of delays.
- ▶ Due to this event, traffic in surrounding suburbs will be congested.
- ▶ Expect delays at James Street and Kitchener Street between 6:15am and 6:35am.
- ▶ Use James Street when travelling east and west between 4:30am and 8:30am while Herries Street is closed.
- ▶ Use West Street when travelling north and south between 4am and 8:30am while Long Street is closed.
- ▶ Access across the course will be permitted under the direction of police when deemed safe.
- ▶ Access in and out of Prince Henry Heights will be permitted under the direction of police and traffic controllers when deemed safe and under escort.

There will be periods when the number of runners using the road restricts access. To avoid delays, the best time to travel is before 6:45am and after 12:00pm on Sunday 4 May.

- ▶ If needing to egress from homes on course during the marathon, where possible it is suggested to park on the closest side street on the evening of Saturday 3 May 2025.
- ▶ Please note there will be amplified sound before 7am in areas surrounding the course.
- ▶ Specific footpaths throughout Queens Park will be used for the Marathon on Sunday 4 May. Please take care when moving through Queens Park and give priority to athletes and event staff.
- ▶ If you need to leave your property along the course during the marathon, please contact us at 0499 768 746. Our team will assess the situation and advise whether an escort can be arranged or if it is safe to proceed. Please note that this service is strictly reserved for urgent circumstances and will not be provided for general travel, such as routine outings.

## Tow Away Zones

Parking restrictions will apply on the course and vehicles will be towed at the owner's expense. Refer to event signage for these locations.

# Spectators

The Toowoomba Wellcamp Airport Marathon isn't just about the participants—it's a community event, and your support can make all the difference!

There are several designated spectator zones along the 2025 Toowoomba Wellcamp Airport Marathon course where friends, family, and supporters can gather to cheer on runners as they push toward the finish line. Your energy, cheers, and creative signs can provide the motivation they need to keep going.

If you're not racing, why not get involved in a fun way? Create a support sign, bring along some noise-makers, and help make this event unforgettable for every participant.

Homeowners along the course are also encouraged to get in on the fun! Set up a cheering station, host a driveway breakfast, or decorate your front yard to celebrate the marathon spirit.

We're on the lookout for the most creative and inspiring signs. Snap a photo of yours and post it on Instagram then tag @toowoombamarathon

Let's come together to make the 2025 Toowoomba Wellcamp Airport Marathon a truly memorable experience!
